It has been brought to the attention of the Commission that the above named company may be carrying out activities that are registrable under the Act.

The general public is **HEREBY ADVISED** that neither Gulf International Investment Group, its agents nor its consultants are registrants of the Securities Commission nor have they made application for registration with the Commission. Therefore, any activity by this company, its agents or consultants in conducting registrable activity in or from this jurisdiction is a violation of the Act. Further, if this company in any way holds itself out as fully compliant and bona fide persons operating in the securities industry from this jurisdiction, it has committed an offence and is liable for criminal prosecution and/or regulatory sanctions under the relevant laws of The Bahamas.

Background

Gulf International Investment Group appears to be a company engaged in providing investment advice and services to the public. The company is holding itself out as being located at Charlotte House, Shirley & Charlotte Streets, Nassau, Bahamas.
